GENERAL DESCRIPTION: DIGLYTECH contains the ecto-parasitic wasp *Diglyphus isae* that attacks leafminer in french beans and roses. Adult *Diglyphus isae* is normally 2-3 mm in size, metallic green in colour and with short antennae.

DIRECTIONS FOR USE: Release the parasitic wasps between the leaves in the mornings or in the evenings. After considering pesticide history and programmes of the area to be applied.

CROP	TARGET PESTS	RATE
French beans	Leafminers	2,500 wasps / ha
Roses	Leafminers	2,500 wasps / ha

HAZARDS / PRECAUTIONS: DIGLYTECH is not hazardous to man, aquatic or terrestrial animals.

COMPATIBILITY & SIDE-EFFECTS: DIGLYTECH may be used alongside other beneficial insects in order to create a biological system for IPM. Certain agrochemical products have negative side-effects on Diglytech. Please refer to the Side Effects Guide issued by Dudutech in order to see which products are compatible/not compatible, or visit our website www.dudutech.com for more details.

STORAGE & HANDLING: Store in a cool dark place at 13-20°C with the product bottle placed horizontally. Highly perishable. Use within 48hrs upon receipt.

DISPOSAL: Packaging materials may be returned to Dudutech division for re-use or destruction.

FIRST AID INSTRUCTION: DIGLYTECH is not known to have any side effect to man. However in case of any emergency, treat

symptomatically.
TOXICOLOGICAL INFORMATION: This product is not hazardous if in contact with the skin, inhaled or swallowed, and may be used without protective clothing. However in case of poisoning, call toll free No. 0800720021, or 0800730030 (24 hr)

NOTICE TO THE USER: This pest control product is to be used only in accordance with the directions on this label. It is an offence under the Pest Control Products Act to use or store a product under unsafe conditions.

SELLER'S GUARANTEE (WARRANTY): Seller's guarantee is limited to the terms set out on the label and subject thereto. The buyer assumes the risk to persons or property arising from the use or handling of this product and accepts the product on that condition.
