NOTICE TO THE PUBLIC

REQUEST FOR PUBLIC COMMENTS ON REVIEW OF PEST CONTROL PRODUCTS (PCP's) ACTIVE INGREDIENTS IN THE KENYAN MARKET

The Pest Control Products Board (PCPB) is a statutory organization of the Kenya Government established under Cap 346 Laws of Kenya to regulate pesticides used in agriculture and public health.

The Board regulates the importation and exportation, manufacture, distribution, sale, use and disposal of pest control products while mitigating their harmful effects to human health, animal health and the environment.

The Board is currently in the process of reviewing active ingredients and end-use products listed in the table below, as guided by sub-regulation 33 (1) (b) of the Pest Control Products (Registration) Regulations 2024.

Insecticide	Fungicide
1. Acrinathrin	Hexaconazole
2. Propoxur	
3. Diazinon	
4. Methomyl	
5. Profenofos	

The public is hereby notified that PCPB will be receiving comments on the indicated active ingredients in the next **sixty (60) days, from the date of this notification**. The review comments should follow the weight of evidence approach used in scientific assessments.

Guidelines

1. Comments should be related to
 - a) Health impact
 - b) Environmental impact
 - c) Trade impact on agricultural produce
 - d) Pest and disease control

2. Comments will not be considered if they: -
 - a) are submitted after the deadline set out in the call;
 - b) are not related to the active ingredients listed above;

3. All submitted comments will be published in PCPB Website.

How to submit comments

Email comments to (aireviews@pcpb.go.ke) no later than the deadline given.

Fredrick N. Muchiri

CHIEF EXECUTIVE/SECRETARY
